Hello, my name is Olga.
Welcome to our language portal!
I want to introduce a new text to speech
service, which means I can read out anything
you like. I and my colleagues speak English,
Chinese, French, German, Italian, Japanese,
Korean, Portuguese, Russian and
Spanish.

1. First set the options in the options box.

☐ **Translate** **Speak** English (female) ▾ **Speed** Normal ▾ ☐ **Embed**

- A. The translation box should remain unchecked.
- B. Choose the speaker (English male or English female).
- C. Choose the speed (fast, normal, slow)

2. Enter your text into the text window (type or paste)

3. Click on the speak icon at the top under the blue box that says **English Text-to-Speech Service**.
